## STATE OF ALABAMA

Dear Fellow State Employees:

I would like to thank each of you for your generous contributions to the State Combined Campaign over the years.

Your unselfish giving has had a positive impact on many lives in your hometowns, across our great State, and around the world. However, there is much more to be accomplished. In these times of limited resources and low funding, charitable agencies are striving to help the needy.

It is my hope that you will find it in your heart to join this year's State Combined Campaign and again give to assist those who desperately need our help. This brochure contains each participating charity's 6-digit code, name, contact phone number and overhead percentage, along with a brief description of the charity's service. Please review this brochure, consider the needs of others, and GIVE to the charity or charities you feel are most worthy. Contributions can be made through a lump sum payment or through payroll deduction, which allows you to make your gift in easy monthly payments through the following year. (The monthly payroll deduction will not begin until January 2025.)

Again, I thank you for participating in this campaign. Please remember that each and every contribution impacts a life and makes a difference for those we help.

Sincerely,

A handwritten signature in black ink that reads "Kay Ivey".

Governor

# The SCC Makes Giving Easy!

**The State Combined Campaign (SCC)** is the only authorized workplace campaign for state employees in Alabama. It is the only way State Employees can support charitable organizations through the ease of payroll deduction.

Since 1993, Alabama's State Employees have contributed **over \$21 million** to SCC charitable organizations!

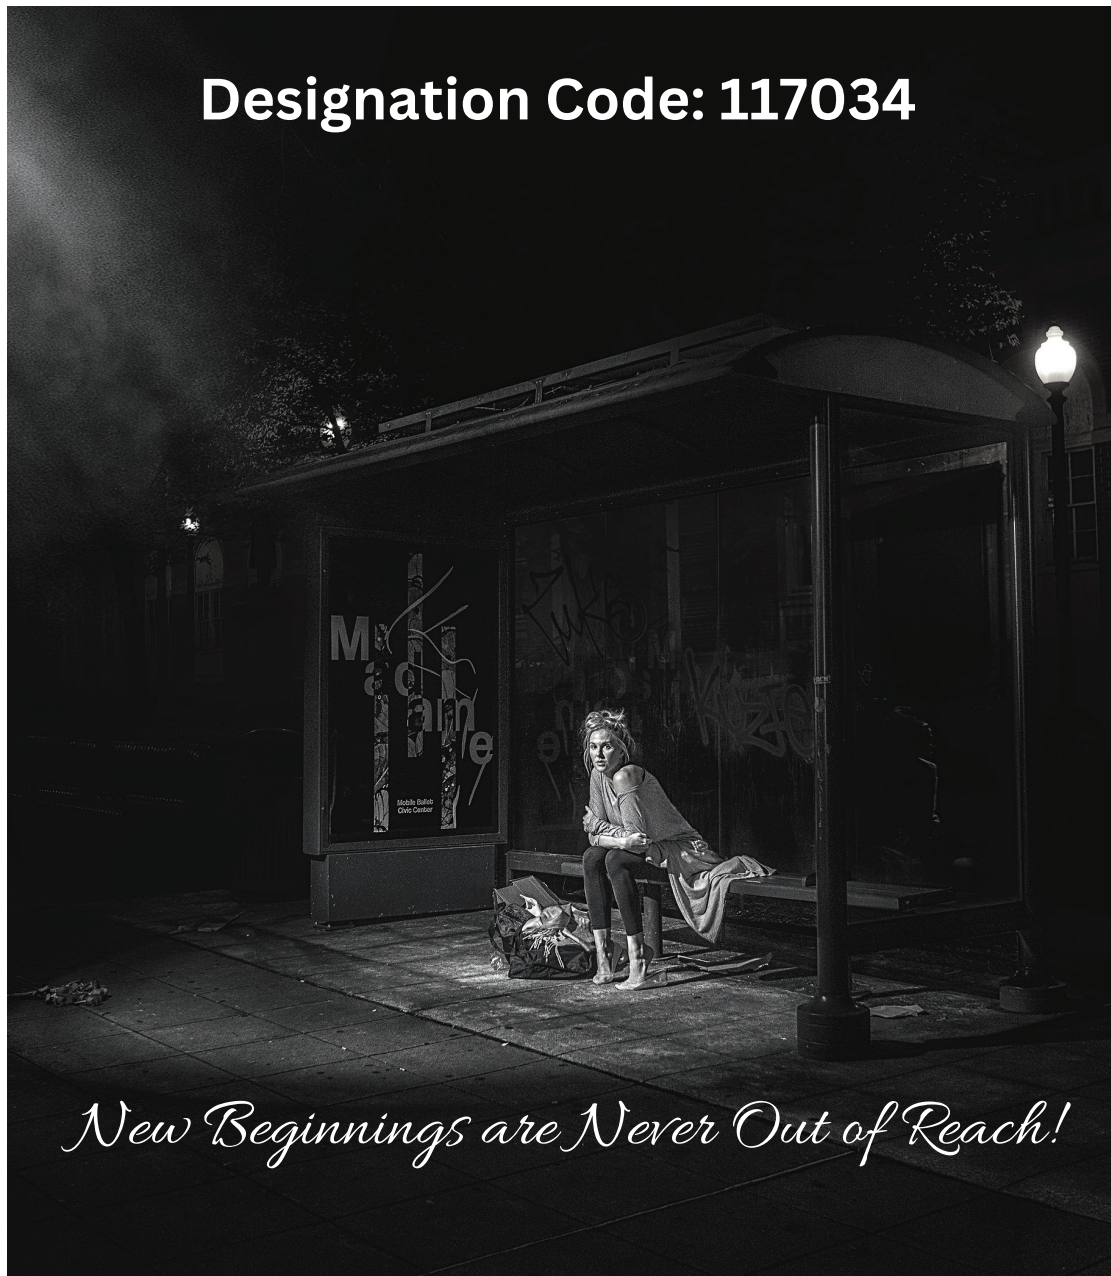

1. Choose an agency to which you wish to give. You may search our online database at <http://www.statecombinedcampaign.org/charities/>. You may choose from organizations providing services in the local areas listed or organizations providing services on a state-wide or international basis.
2. If your favorite charity is not listed, contact the SCC office. We may be able to help.
3. For each charitable organization, a brief description of services provided by the agency, its phone number, 6-digit agency code and the percent of overhead is given.
4. You are encouraged to designate your gift. Undesignated contributions will be distributed among participating agencies in the same proportion they received designated contributions.
5. Complete your pledge card along with the TOTAL dollar amount you want to go to each agency and or federation.
6. You can give by payroll deduction (the easiest way to give!), cash, check, or credit card.
7. **Payroll deduction:** Ask your Statewide Coordinator or Keyworker if you need to provide your entire social security number. This varies by department.
8. **Cash or check:** Just turn in along with your pledge form to your Coordinator or Keyworker.
9. **Credit card:** You will find instructions along with a convenient way to give at <http://www.statecombinedcampaign.org/credit-card-donations/>. You must complete a pledge form and please be sure to include the transaction ID, so that we can easily match up your gift!
10. If you would like to designate your gift to a specific program or would like to make it honoring someone, please attach the **Earmark/Memorial Contribution Form** found at <http://www.statecombinedcampaign.org/earmark-form> or contact the SCC office or your Statewide Coordinator for the form.
11. Print your email/address on the pledge card if you want to hear from the agency(ies) to whom you designated your gift (\$25 minimum please).
12. Forward your pledge card either to your Statewide Coordinator or Keyworker. You can also email or mail your pledge form to the SCC office at [ahopkins@unitedwaysal.org](mailto:ahopkins@unitedwaysal.org) or 8 Commerce Street, Suite 1140, Montgomery, AL 36104.

Innovative Solutions for Community Issues

**Agency Code: 117423**

The mission of Ransom Ministries is to empower people who have experienced homelessness, addiction, and/or incarceration, to provide innovative solutions for community issues, and to conserve our environment for future generations. These programs and projects are designed specifically to help us accomplish that mission.

Ransom ReProgram is a job readiness and soft skills training program that provides trainees with tools to help them overcome barriers to employment.

Ransom Recycling is a social enterprise that provides on the job training in a theatre of work for program trainees and a revenue stream for the ministry.

Ransom Staffing provides quality temporary employees for local businesses and on-going support for Ransom program trainees as they re-enter the workforce.

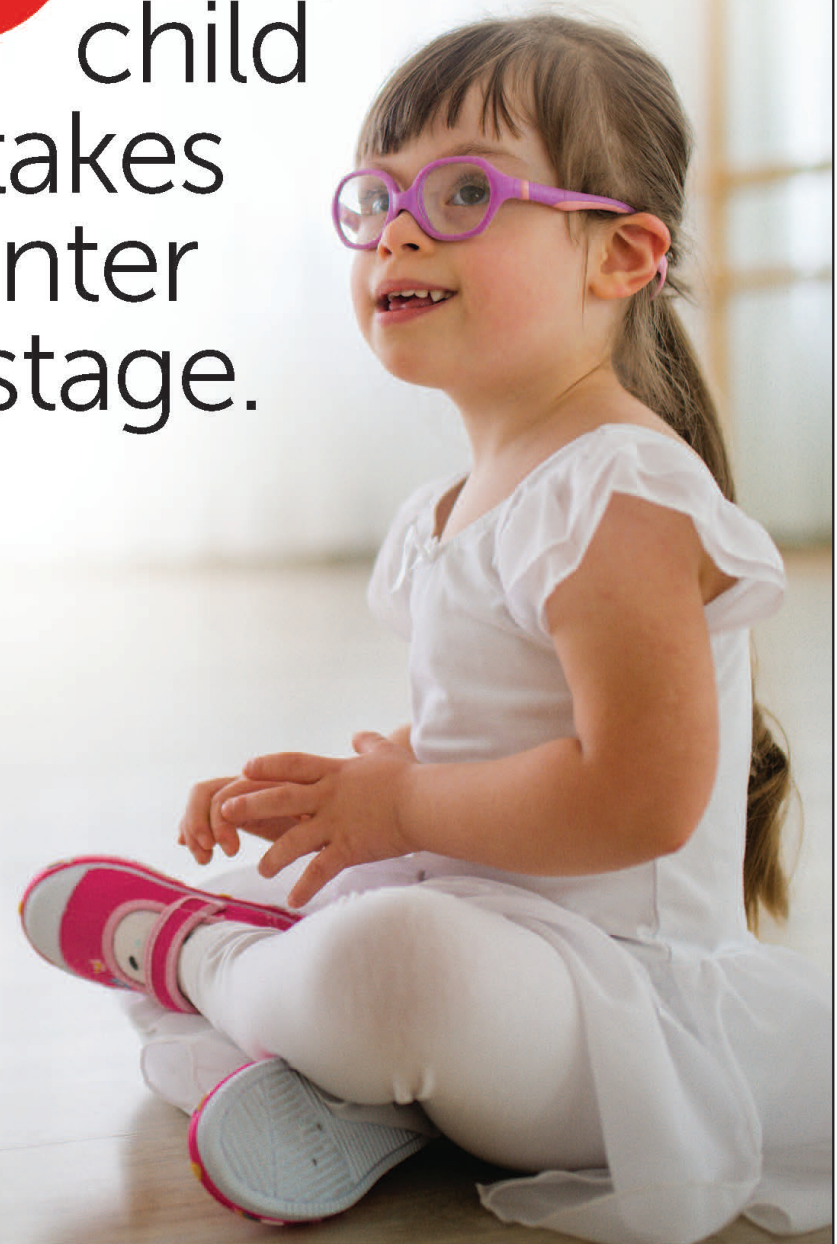

Road to Work is an employment opportunity for those experiencing homelessness to remove litter and debris from the roadsides in the City of Mobile.

# Housing is healthcare.

## SINCE 1986

AIDS Alabama was formed in 1986 to provide HIV prevention education to the healthcare community. Since then, we developed and now directly manage **over 100 units of affordable housing** across the state.

We are dedicated to helping residents stay healthy. Through our health and wellness programs, we provide **culturally sensitive, LGBTQ-friendly** services.

As part of a **comprehensive approach** to treatment, education, and prevention of HIV, we provide housing, health care services, health insurance premium assistance, and support groups designed to **empower residents living with HIV/AIDS**.

### OUR MISSION

AIDS Alabama devotes its energy and resources statewide to helping people with HIV/AIDS live healthy, independent lives and works to prevent the spread of HIV.

### OUR VISION

To effect systematic change to dramatically improve the lives of people with HIV/AIDS and reduce infection and mortality rates.

### HOW WE HELP

When someone comes into AIDS Alabama for testing and care, they can rest assured that they will be treated with dignity, respect, and above all compassion. We help anyone in need of care, and we do not discriminate.

### HIV & STI/STD PREVENTION

AIDS Alabama offers free, confidential, and anonymous rapid HIV and Hepatitis C testing with no appointment necessary.

At The Living Well Health Clinic, we help people access PrEP services to decrease their chances of contracting HIV. We accept all major insurance and have resources to help people without insurance access PrEP at a low cost or free.

A caring staff of therapists, counselors, nurses, and peer support specialists provides an array of services including:

- psychiatric evaluations/mental health services
- medication management and adherence
- group, individual, and family counseling
- resume' building & employment coaching
- treatment monitoring
- peer social support
- problem-solving skills

### SOCIAL SERVICES

AIDS Alabama provides essential life-sustaining services to those we serve across Alabama.

### MENTAL HEALTH SUPPORT

Our counselors offer therapy to treat anxiety and depression related to one's health status, troubled relationships, and self-esteem.

### SUBSTANCE ABUSE HELP

AIDS Alabama offers a safe setting to explore sobriety, find support, and chemical dependency counseling, and obtain referrals for help with drug and alcohol abuse.

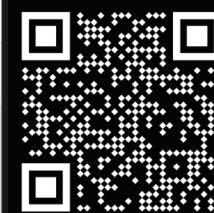

### TRANSPORTATION

We have varied methods for breaking down transportation and other access barriers, like ride services, transportation vouchers, and telehealth, so clients can avoid lengthy trips to visit clinics in person.

### ADVOCACY

AIDS Alabama's advocacy takes many forms: from meeting with local, state and federal lawmakers about issues impacting the HIV/AIDS communities, to working with businesses and schools to foster inclusive environments.
